

## Eating Inn England Core Main Menu Spring Summer 2018 Allergen Report

We prepare our food in kitchens with products containing gluten and nuts as well as other allergens. The allergy data detailed in the table below has been derived from supplier specifications on the allergenic ingredients that have intentionally been added to the final food product. We have taken all reasonable steps to ensure that this table is accurate. We CANNOT guarantee that any product is "100% FREE FROM" any allergen due to the risk of cross contamination risk in production, supply and preparation. If you suffer from sensitive trace reactions for stated allergens, please be aware that we are unable to guarantee suitability for you. Please make yourself known to our staff and inform them of your allergy every time you dine with us, even if you have eaten the dish before, so that every possible precaution can be taken in our kitchens to prevent cross contamination and if product substitutions are in place our staff can make you aware of these.

Please be aware that the information below is provided to us by our suppliers, however due to preparation methods within our kitchens, we are unable to guarantee Vegan suitability of our deep fried products. Please speak to the team for further information.

\*\* Tree Nuts indicates the presence of the following:- almonds, brazils, cashews, hazelnuts, macadamias, pecans, pistachios, walnuts and their respective derivatives

\* Gluten is a protein component of wheat, rye, barley, kamut, spelt & oats

<b>YES Vegan / Vegetarian</b>	YES in the column indicates that the information that has been supplied to us indicates the product is suitable for Vegan/Vegetarian
<b>NO Vegan / Vegetarian</b>	NO in the column indicates that the information that has been supplied to us indicates the product is NOT suitable for Vegan/Vegetarian
<b>NO</b>	Is not listed as an ingredient, but please note that absence in the final product cannot be guaranteed, due to cross contamination risks in production, supply and preparation
<b>NO*</b>	Indicates that whilst gluten is not a listed ingredient, due to the fryers being used for breaded products there is an increased cross contamination risk
<b>YES</b>	Indicates that the product CONTAINS that allergen and is a listed ingredient by the supplier
Some dishes have multiple options available when ordering. The allergen outcomes for each option is listed below the dish. Please bear this in mind when ordering and add the allergen outcome for each choice to your overall meal.
